

MEDICAL PROFESSIONAL LIABILITY COVER

PURPOSE

The purpose of this policy is to ensure that all medical professional MHR panel members have adequate Medical Professional Liability cover.

SCOPE

This policy applies to

- MHR Office Personnel
- MHR Panel Members
- MHR Clients

DEFINITIONS

Term	Definition
Medical Professional Liability cover	This will cover you against liability claims arising from the incidental death or injury of a patient due to negligence or alleged negligent action during treatment.
Medical Professional	This group consists of Nurses, Pharmacists, Biokineticists, Care Workers, Operating Room Practitioners, Occupational Therapists, Physiotherapists, Radiographers, Advanced Life Support Paramedics - ALS, Intermediate Life Support Practitioners – ILS, Basic Life Support Practitioners - BLS, Emergency Call Takers, Emergency Call Dispatchers, In Hospital Transport Agents and Flight Coordinators

POLICY STATEMENT

- All medical personnel working through MHR must have indemnity cover.
- Application and renewal of cover is the responsibility of the panel member and failure to provide a renewed indemnity cover, could lead to a temporary suspension of your status.
- Proof must be provided, to MHR, on registration and annually or monthly (according to period of cover).
- Indemnity cover can be obtained at the MHR regional offices (excluding medical practitioners).

- Mediclinic personnel, working through MHR, must obtain additional cover if they want to work in non-Mediclinic hospitals.
