

## ER24 Branch Call Out – How to clock

**Step 1:** To clock for ER24 BR Call Out, click on the “ER24 BR Call Out” button, then place your finger on the fingerprint reader. If the reader does not recognise your fingerprint, please enter your ID or Passport number before scanning your finger.

The image shows the "ER24 BR Call Out" input screen. At the top, it says "ER24 BR Call Out" and "Enter Badge ID". Below this, a black box displays the entered badge ID: "9104269988084". There is a numeric keypad with buttons for digits 1 through 9, 0, a Backspace button (labeled with an 'x' and "Backspace"), a Clear button (labeled with "xxx" and "Clear"), and an Enter button (labeled with an arrow and "Enter").

**IMPORTANT:** When you clock out, it is important that you click on the “Punch In or Out” button. Don’t click on “ER24 BR Call Out” to clock out.
